OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Dr Ronald Bertram CULLEN, 512 Glenferrie Road, Hawthorn Vic 3122
For service to public administration in Victoria through the development of innovative management practices and organisational change.

Contributed to public administration in the public service and public sectors, for over 40 years. Graduate Engineer, Postmaster General's Office.

- Developed technological ideas such as the design of multiple-line telephone consul which is now standard but was then innovative.
- Instrumental in advocating for the separation of roles which led to the creation of Telstra (formerly Telecom) and Australia Post as separate specialist businesses.

Inaugural Finance Director, Telecom, 1975; NSW State Manager, 1979.

- Created market for Telecom bonds as part of the formation of the telecommunications business.

Chairman, Public Service Board of Victoria, 1980-1985.

- Commissioned a review of central agencies and provided the conceptual basis for reform whereby Departments would be more responsive to Government yet remain independent and provide advice.
- Reshaped and improved Departments, commissions and quasi-governmental organisations to achieve better coordination and greater efficiency.
- Decentralised decision-making and made Departments responsible for their personnel and futures.
- Established the first senior executive service in Australian public administration based on pay and performance reviews.
- Instituted an equal opportunity policy including women, Indigenous Australians and people from non-English speaking backgrounds.
- Appointed many talented women to senior positions.
- Introduced grievance procedures and hearings for staff appointments.
- Rejuvenated the public service by extending the recruitment program and creating the forerunner to today's Graduate Recruitment Scheme.
- Left a strong legacy of excellence, independence, equity and efficiency.

Managing Director, Capel Court Pty Ltd, 1985/6-1986/7.

Chairman, Victorian Post Secondary Education Commission, 1987-1993.

- Created a management revolution based on greater independence of Victorian Technical and Further Education institutions.
- Industrial relations changes including the introduction of performance agreements, a cost-based relative funding model, and the creation of college councils as statutory bodies with governance bases
- A merger options paper, focused on reform rather than specific recommendations.

Victorian representative, Commonwealth Higher Education Council.

General Manager, Higher Education, Victorian Ministry of Education, 1991-1993.

His work on measuring educational attainment and benchmarking the performance of nations was taken up by the OECD and is now the basis for much of its inter-country comparisons in education.

Performance Management Solutions, 1993-2007; consultant to public sector organisations including education benchmarks, industry skills and central policy and management processes,.

Author, over 50 books, reports and articles on public administration, change management and organisational theory.

Member, Rotary Club of Melbourne, since 1984.

Life Member, Institute of Public Administration Australia (Victorian Division), 2002; Member, since 1968

Fellow, Australian Institute of Management, 1980-2002.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Colin Edward SULLIVAN, NSW

For service to medicine as an innovator in the field of sleep disorders and the development of equipment and treatment practices.

Professor Sullivan began sleep studies in Australia in 1979 and established a clinical service to manage sleep disorders; he gained international recognition for the invention of the Nasal Continuous Positive Airway Pressure (CPAP) Mask in 1980 which is now the accepted treatment for sleep disordered breathing.

In 1981 he published the first scientific article on the use of the CPAP Mask in *The Lancet*; the research that followed the release of the article led to a greater understanding of sleep apnoea and to the establishment of sleep medicine as a clinical speciality.

The CPAP mask was initially manufactured by Professor Sullivan in his own workshops and laboratories but, in 1987, agreement was reached to commercialise the technology; in 1989 the company ResCare (now ResMed) was formed.

Foundation Member, Board, ResMed, 1989-1995.

Professor of Medicine, University of Sydney, since 1991; current Head, David Read Research Laboratory; Associate Professor, 1983-1991; Senior Lecturer, 1979-1983.

Current Director, Respiratory Failure and Sleep Disorders Centre, Royal Prince Alfred Hospital; Physician, Respiratory Unit, since 1979.

Conjoint Professor, Paediatrics and Child Health, Faculty of Medicine, University of New South Wales, since 2008.

Established the Clinical Research Laboratory, Sydney Children's Hospital, Camperdown, in 1990, and relocated to Westmead in 1995; the research laboratory was Australia's first paediatric sleep unit; when the Hospital was relocated to Westmead, clinical and research sleep units were also established at the new location.

Current Consultant Physician, Westmead.

Established Clinical Sleep Laboratories, Sydney Children's Hospital, Randwick, 1998; current Consultant Physician.

Fellow, Australian Academy of Technological Sciences and Engineering, 2000.

Fellow, Australian Academy of Science, 1997.

Founding President, Australasian Sleep Association, 1988; Committee Member, 1989; Clinical Chair, 1990-1993.

Fellow, Royal Australasian College of Physicians, 1976.

Author, over 150 peer reviewed publications and book chapters.

Awards/recognition include:

Clunies Ross Award, Australian Academy of Technological Sciences and Engineering, 2008.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA
