

COMPANION (AC) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Brian David ANDERSON AO, Red Hill ACT 2603

For eminent service to information and communications technology, to engineering and to higher education, as an academic, researcher and author, to professional scientific associations, and as a mentor of young scientists.

Service includes:

Professor then Distinguished Professor, Australian National University, since 1981 and Director, 1994-2005.

Distinguished Researcher, National ICT Australia (NICTA), since 2006 and Chief Scientist, 2003-2006 and Interim CEO/President, 2002-2003.

Member, Prime Minister's Science, Engineering and Innovation Council, 1998-2002.

Member, Advisory Board, Centre for Applied Philosophy and Public Ethics, 2005-2009.

Board Member, Australian Research Council, 2001-2003.

Member, National Research Priorities Standing Committee, 2005-2008.

Chair, Cooperative Research Centre for Robust Adaptive Systems, 1991-1994 and Member, Management Board, 1991-1999.

Professional Organisations:

President, Australian Academy of Science, 1998-2002; Member, Ian Clunies Ross Memorial Foundation, 1998-2000; Member, National Academies Forum, 1998-2002; Member, Corresponding Member and Special Election Committee, 2011-2014.

President, International Federation of Automatic Control (IFAC), 1990-1993; Immediate Past President, 1993-1996; Advisor, current; Chair, Manfred Thoma Major IFAC Medal, since 2015.

Education:

Member, National Research Priorities Standing Committee, Department of Education, Science and Training, 2005-2008; Member, e-Research Coordinating Committee, 2002-2006.

Member, Centre for Complex Systems and Control Advisory Board, University of Newcastle, 2004-2010.

Member, Institute of Telecommunications Research, Advisory Board, University of South Australia, 2004-2007.

Visiting Professor at universities in USA, Japan, South Korea, Germany, Italy, Switzerland, Austria, France, Belgium, New Zealand and Australia.

Publications and Research include:

Member, Editorial Board, '*Communications in Information and Systems*', since 1999.

'*Applied and Computational Control, Signals and Circuits*', since 1998.

International Journal of '*Robust and Nonlinear Control*', since 1989.

'*Multidimensional Systems and Signal Processing*', since 1989.

Member, Editorial Board and Editor at Large, '*International Journal of Adaptive control and Signal Processing*', since 1987.

Member, Scientific Advisory Board, Biovision Australia, 2010-2012.

Director, Cochlear Ltd, 1995-2005.

Member, Technology Advisory Board, Rio Tinto, 1981-1998.

Awards and recognition includes:

Recipient, Japan Order of the Rising Sun with Neck Ribbon and Gold Rays, Government of Japan, 2007.

Recipient, MA Sergeant Medal, Engineers Australia, 2002.

Recipient, James H Mulligan Jr Education Medal, Institute of Electrical and Electronic Engineers, 2001.

Recipient, Guillemin-Cauer Award, Circuits and Systems Society, 2001.

COMPANION (AC) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr Anthony John BEDDISON AO, Toorak Vic 3142

For eminent service to the community through leading roles with national and international charitable organisations, as an advocate for corporate social responsibility, philanthropy and business innovation, to children's health, and to business.

Service includes:

Business:

Founder and Chairman, Beddison Group, ongoing since 1977.

Chairman, Clicks IT Recruitment, ongoing since 1997.

Chairman, Hoban Recruitment, ongoing, since 1987.

Chairman, SACS Group, until 2009.

Community organisations:

Chairman, The Prince's Charities Australia, since 2013 and Founding Chair, Board of Trustees, since 2012.

Chairman, Royal Children's Hospital, Melbourne, 2004-2013.

Director, Australian War Memorial Anzac Foundation, 2003-2013.

Chairman, Victorian Australia Day Committee, until 2004.

Committee Member, Moonee Valley Racing Club, 1997-2009 and Life Member.

Chairman, 2007 FINA World Swimming Championship Corporation, 2005-2007.

Council Member, Australian War Memorial, 1995-2000.

Chairman, 'Australia Remembers' (Victoria), 1994-1995.

Committee Member, Centenary of Federation (Victoria), 1997-2001.

Director, Royal Children Hospital Foundation, 2004-2012.

COMPANION (AC) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Richard Allan BRYANT, East Killara NSW 2071

For eminent service to medical research in the field of psychotraumatology, as a psychologist and author, to the study of Indigenous mental health, as an advisor to a range of government and international organisations, and to professional societies.

Service includes:

Scientia Professor and Senior Principal Research Fellow, School of Psychology, University of New South Wales, current and Director, Traumatic Stress Clinic, current.

Director, International Society for Traumatic Stress Studies and Member, current.

Member, Clinical Reference Committee, Department of Veterans' Affairs.

Member, Mental Health Advisory Group, Department of Defence.

Member, Mental Health Prevalence Study Scientific Advisory Committee, Department of Veterans Affairs.

Has published over 400 peer-reviewed original articles in several top journals including:

Molecular Psychiatry.

Archives of General Psychiatry.

World Psychiatry.

American Journal of Psychiatry.

JAMA Psychiatry.

Biological Psychiatry, Psychotherapy and Psychosomatics.

British Journal of Psychiatry.

National Health and Medical Research Council:

Member, Project Grants Review Panel (Psychology and Psychiatry), 2013.

Member, Assigners Academy, 2009.

Member, Grant Review Panels and Assigners Committee, 2006 and 2008.

Chief Investigator on 14 Funded Grants, since 1997.

World Health Organisation (WHO):

Co-investigator in WHO controlled trials in Kenya, Pakistan and Uganda on low-intensity trans-diagnostic psychological interventions, current.

Member, International Classification of Diseases-11 (ICD-11) Working Group on the Classification of Stress-Related Disorders, current.

Awards and recognition includes:

Recipient, Robert Laufer Award for Excellence in Science Research, International Society for Traumatic Stress Studies, 2001.

Recipient, Lifetime Scientific Achievement Award, Australian Society for Cognitive Behavioural Therapy, 2006.

Recipient, Distinguished Science Award, Australian Psychological Society, 2008.

Recipient, Lifetime Scientific Achievement Award, Australian Society for Traumatic Stress Studies, 2012.

Fellow, Academy of Social Sciences in Australia.

Fellow, Association of Psychological Science.

Fellow, Australian Psychological Society.

COMPANION (AC) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Michael Ralph FELLOWS, 3 Rose Street, Old Bar NSW 2430

For eminent service to higher education, particularly in the field of theoretical computer science, as a leading academic, researcher and author, as a mentor, and through public outreach programs particularly for children.

Mathematics and Computer Science:

Co-Founder, new field of theoretical computer science called Parameterized Complexity (*concerned with modelling, designing and analysing algorithms*).

Education:

Elite Professor of Computer Science, appointed by call, University of Bergen, Norway, since January 2016.

Australian Professorial Fellow, School of Engineering and Information Technology, Charles Darwin University, 2010-2015 and Director, Parameterized Complexity Research Unit, since 2010.

Professor, Computer Science, University of Newcastle, 2000-2009.

Visiting Professor, Royal Holloway, University of London, since 2009.

Inaugural Fellow, Institute of Advanced Study, Durham University, United Kingdom, 2006 and Best Fellow of Grey College, 2006.

Erskine Fellowship, University of Canterbury, New Zealand, 1996.

Fellow, Centre for Religious Studies, University of Victoria, British Columbia, Canada, 1998.

Co-Author, '*Computer Science Unplugged*'; and '*This is MEGA-Mathematics*' (*computer science and mathematics educational resources for school children - currently published in 19 languages and used by Google*).

Professional Associations and Publications:

Associate Editor, '*Journal of Computer and System Sciences*'; '*ACM Transactions on Algorithms*', current.

Associate Member, Australian Computer Society, since 2013.

Awards and recognition includes:

Co-Recipient, International Gold Medal of Honor for Computer Science and Computer Science Education, for '*Computer Science Unplugged!*' and sharing the foundations and open questions of computer science with students of all ages (*one of the highest honours in computer science education*), ETH University of Zurich, 2014.

Fellow (*one of the inaugural 1st ten*), European Association of Theoretical Computer Science, since 2014 and Recipient, Nerode Prize, 2014.

Honorary Fellow, Royal Society of New Zealand, 2014.

Springer Festschrift (*book honouring a respected person, especially an academic, and presented during their lifetime*), 2012.

Australian Professorial Fellowship, Australian Research Council, '*for outstanding researchers with proven international reputations to undertake research that is both of major importance in its field and of significant benefit to Australia*', 2010-2014.

Recipient, Humboldt Research Prize, Alexander von Humboldt Foundation, 2007.

COMPANION (AC) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

His Excellency the Honourable Hieu Van LE AO,

GPO Box 2373, Adelaide SA 5001

For eminent service to the people of South Australia, to the development of cultural and economic links with Australia's near neighbours, to the advancement of multicultural inclusion, and as a supporter of the arts and education.
