Mr Johnny Japangardi MILLER, NT
For service to the community of Yuendumu and the surrounding region of the Northern Territory through programs addressing substance abuse among Indigenous youth.

Mount Theo (Putulu)/Yuendumu Substance Misuse Program
The Mount Theo Program is a remote residential rehabilitation program for young Warlpiri petrol sniffers, initially from Yuendumu and now from the surrounding region and Alice Springs. Rehabilitation is based on physical removal from the source of the petrol, Indigenous cultural education and general care and support. This work is combined with support and prevention programs for youth in their own communities when they return from Mount Theo, which is 160kms from Yuendumu in the Tanami Desert.

Outstation Manager, Mount Theo Program, since 1994; Co-founded the program with his brother and sister-in-law, caring for petrol sniffers on their traditional land at Mount Theo. Warlpiri Elder and Senior Traditional Owner, teaches young petrol sniffers at Mount Theo about traditional culture, bush tucker, sacred sites and painting, and serves as a cultural role model.
Lobbies state and federal governments for support to combat petrol sniffing throughout Indigenous communities, including travelling to Canberra to meet with government representatives.
Much of his work has been voluntary.
