Convenor, NSW Child Death Review Team; instigated the formation of similar bodies, nationally and internationally.

Director, Office for Children, Department of Premier and Cabinet, NSW.

Executive Officer, NSW Child Protection Council, 1980s; responsible for authoring the National Child Protection Council report *Preventing Child Abuse: A National Strategy*, 1993; played a significant role in NSW Sexual Assault Taskforce, 1980s.

Awards include:

Centenary Medal, 2001.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

The Honourable Paul Henry CALVERT, Sandford Tas 7020

For service to the Australian Parliament, and to the community of Tasmania, particularly through local government and the agricultural show movement.

Senator for Tasmania, Australian Parliament, 1987-2007; President of the Senate, 2002-2007; temporary Chair of Committees, 1989-2002; Government Whip, 1997-2002; Deputy Government Whip, 1996-1997; Deputy Opposition Whip, 1995-1996.

Served on numerous Senate Standing Committees including Chair, Appropriations and Staffing, 2002-2007; Procedure, 2002-2007; Publications, 1990-2002; and Selection of Bills, 1995-2002.

Warden, Municipality of Clarence (now the City of Clarence), Tasmania, 1983-1987; Deputy Warden, 1981-1983; Councillor, 1976-1987.

Member, Governing Council, Old Parliament House, since 2008.

President, Royal Agricultural Society of Tasmania, 1987-1990; Committee Member, since 1973; Honorary Life Councillor, since 1990.

Honorary Member, Showmen's Guild of Australasia; Showmen's Guild of Tasmania; and Victorian Showmen's Guild of Australia; personally supported and campaigned for the foundation of a mobile school for the children of the travelling showmen of Australia.

Life Member, Clarence Football Club.

Mr Peter Roland COATES, Mosman NSW 2088

For service to the coal mining industry, particularly as a contributor to the development of low emission technologies, improved safety standards and climate change policy.

Chairman, Xstrata Australia, since 2008.

Chief Executive Officer, Xstrata Coal, 2002-2008.

Chairman, Minerals Council of Australia, 2005-2007; Chairman, Standing Committee on Climate Change, since 2007.

Chairman, National Low Emissions Council Strategy Task Group, since 2008.

Chairman, Australian Coal Association, 2002-2003.

Chairman, New South Wales Minerals Council, 2002-2003.

Chairman, Mineral Resources Ltd, since 2008.

Director, World Coal Institute, 2003-2008.

Director, Port Waratah Coal Services, 2000-2008.

Director, Coal Industry Advisory Board, International Energy Agency.

Director, Downer EDI Ltd, since 2008.

Director, Santos Ltd, since 2008.

Member, Prime Minister's APEC 2007 Business Consultative Group.

Member, Prime Minister's Emissions Trading Task Group.

Member, Australia's 2020 Summit.

Member, NSW Ministerial Minerals Advisory Council.

Member, NSW Clean Coal Council, since 2008.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr David Alexander CRAWFORD, Camberwell Vic 3124

For service to business as a director of public companies, to sport, particularly through the review and restructure of national sporting bodies, and to the community through contributions to arts and educational organisations.

Director, BHP Billiton Ltd, since 1994.

Chairman, Lend Lease Corporation, since 2003; Director, since 2001.

Chairman, Foster's Group, since 2007; Director, since 2001.

Director, Westpac Banking Corporation, 2002-2007.

Member, Advisory Board, Allens Arthur Robinson, since 2002.

Chairman, National Foods Ltd, 2004-2005; Director, 2001-2005.

National Chairman, KPMG, 1998-2001; Chairman, Professional Indemnity Insurance Committee, KPMG Global, 1998-2001; Chairman, Melbourne, 1993-1996; Chairman, Southern Regional Practice, 1993-1994; Partner, Peat Marwick Mitchell and Co, since 1974. (Peat Marwick became KPMG Peat Marwick in 1990 and was renamed KPMG in 1998. Mr Crawford was an insolvency practitioner and, during his time with KPMG, was involved in the administration and restructuring of a number of high profile insolvencies including Quintex, Bond Brewing Holdings, Ariadne, Harlim, The Adelaide Steamship Group and Ansett Airlines.)

Chairman, Insolvency Practitioners Association Australia.

Chairman, Generation Victoria, 1993-1994.

Chairman, State Electricity Commission of Victoria, 1993.

Director and Chief Executive Officer, Rural Finance Corporation Victoria, 1989.

Member, Advisory Committee, National Companies and Securities Commission.

Member, Law Review Committee, late 1980s-early 1990s.

Vice-President, Melbourne Cricket Club, since 2009; Treasurer, 2001-2009; Committee Member, since 1997.

Thoroughbred Racing Industry Review, Racing Victoria Ltd, 2007.

Chairman, Independent Soccer Review Committee into the Structure, Governance and Management of Soccer in Australia.

Head, Review, Australian Football League (AFL), 1992-1993.

(The reviews into racing, soccer and the AFL addressed issues such as structure, governance and performance within the respective organisations. The review of the AFL is widely acknowledged as the basis of the AFL's current success. The independent review of soccer in Australia led to the establishment of the A-League and is credited with being a contributing factor to the Socceroos success at the 2007 FIFA World Cup.)

Chairman, The Australian Ballet, 2008; Director, 1994-2008.

Chairman, Council, Scotch College Melbourne, since 2007; Vice-Chairman, 2003-2007; Director, since 1991; President, Old Scotch Collegians Association.

Council Member, University of Melbourne, 1999-2004; Chairman, Finance Committee, 2000-2004; Vice-Chairman, Finance Committee, 1999-2000.

Provided assistance to the Chief Executive Officer during the internal review of the Opes Prime matter, ANZ Bank, 2008.

Member, Board, St Andrew's Hospital; Treasurer, during a significant rebuilding program.

Director, Kindilan Foundation (now known as Focus), for many years.

Secretary, Camberwell Resident Action Group.

Awards include:

Centenary Medal, 2001.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr Richard Lucas ESTENS, 13 Chester Street, Moree NSW 2400

For service to the community through the provision of sustainable long-term employment for Indigenous Australians, to reconciliation, and to the improvement of telecommunication services in rural, regional and remote areas.

Founding Chairman, Aboriginal Employment Strategy (AES), 1997; Chairman, since 2005. AES originally began in Moree as a project of the Gwydir Valley Cotton Growers Association during Mr Estens' Chairmanship; it is now a national service fully staffed and run by Indigenous people, places over 1,300 Indigenous people into employment annually, and is seen as an example of a sustainable model of securing long-term employment for Indigenous Australians.

Member, Board, Reconciliation Australia, 2000-2005.

Chair, Inquiry into Telecommunication Services to Rural Regional and Remote Australia, Department of Broadband, Communications and the Digital Economy, 2002.

Chair, Gwydir Valley Cotton Growers Association, 1997-2000.

Director and Treasurer, Moree Plains Health Service, late 1980s.

Director, Barwon Health Service, mid 1990s.

Cotton grower, Moree region, since 1981.

Awards/recognition include:

Centenary Medal, 2001.

Human Rights Medal, Human Rights and Equal Opportunity Commission, 2005.

Rural Leader of the Year, Rural Leadership Group, 2000.

Ms Irene GLEESON, CHILDCARE Kitgum Servants, PO Box 342, Belrose NSW 2085

For service to international relations, particularly through sustained aid for children affected by war and HIV/AIDS in northern Uganda.

Founded a school for orphaned children, CHILDCARE Kitgum Servants (CKS), in northern Uganda, 1991; the school was initially established on 20 acres of leased government land.

On-site Director, since 1991; Ms Gleeson is known as 'Grandmum' to the children.

In 2008 CKS catered for 8,000 children in five schools: Childcare Kitgum Primary School; Childcare Amida Primary School; Childcare Padibe Primary School; Vocational Training Centre; and Childcare Technical Institute (Advanced Craft Certificate).

Childcare Orom Primary School is currently under construction.

These schools provide full day care, education, medical requirements and meals free to war-affected, vulnerable children.

As a volunteer, Ms Gleeson oversees a staff of 400 Ugandan teachers, nurses, builders, counsellors, cooks, drivers and Australian volunteers.

Ms Gleeson established several facilities including:

4 medical clinics;

Gloryland Junction AIDS hospice (60 bed facility) and adjoining infant orphanage; community churches (non-denominational);

Creative Arts Studio including FM Radio Station (runs workshops for the children); and water wells (14 bores have been installed).

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Robert Michael GRAHAM, Birchgrove NSW 2041

For service to medicine, particularly through stewardship of the Victor Chang Cardiac Research Institute and research in the field of molecular cardiology.

Executive Director, Victor Chang Cardiac Research Institute, since 1993; oversaw the growth from four to over 150 staff with an annual budget of over \$16 million; recently played a major role in developing a purpose-built \$80 million facility.

Professor, Biotechnology and Biomolecular Science, University of New South Wales, since 1996; Inaugural Des Renford Professor of Medicine, since 2003; Professor of Medicine, 1993-2003.

Visiting Medical Officer, St Vincent's Private Hospital, Sydney, since 1994.

Consultant Physician in Cardio-Renal Diseases, St Vincent's Clinic, Sydney, since 1995.

Chairman, Quest Australia, Sydney 2000 Olympic Games.

Foundation Fellow, Institute of Company Directors (Australia) (formerly Institute of Directors in Australia and the Company Directors Association), since 1985.

Former Chairman, National Human Resources Association.

Awards include:

Centenary Medal, 2001.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Kurt LAMBECK, Hughes ACT 2605

For service to science through the development of policy, the promotion of educational programs and as a researcher and educator in the field of geoscience.

President, Australian Academy of Science, since 2006; Vice-President, 1998-2000; Foreign Secretary, 2000-2004; Secretary, Physical Sciences, 1996-2000; Chairman, Antarctic Science Advisory Committee, 1999-2005.

During his term as President Professor Lambeck has worked to advance sciences at all levels. He has greatly expanded the Academy's programs for teaching science in primary and secondary schools, continued the development of the 'NOVA' website for secondary teachers and the general public, and published *Research and innovation in Australia*, a policy statement dealing with the wider aspects of the importance of science for society.

Member, Prime Minister's Science, Engineering and Innovation Council, since 2006.

Chair, Working Group, 'Australia's Science and Technology Priorities for Global Engagement', 2006.

Professor of Geophysics, Research School of Earth Sciences, Australian National University, 1977-2007; Director, 1983-1994; was the longest serving Director of the School.

Professor Lambeck is widely regarded both internationally and domestically. He has held a number of research appointments in Europe and the USA. His recent field of research has centred on the understanding of the interactions between ice sheets, oceans and the Earth and the impact on the rise and fall of sea levels; this work is becoming increasingly significant in tackling issues of climate change. He has published 267 papers in scientific journals.

Chairman, Bilateral Science and Technology Programs, Department of Industry, Technology and Commerce, 1989-1998; Chair, Committee, The Prime Minister's Science Award, 2008.

Member, The Australia Prize, 1994, 1996 and 1998; an international award presented by the Commonwealth Government for outstanding achievements in science and technology.

Member, Advisory Council, Bureau of Mineral Resources, Geology and Geophysics, during the 1980s.

Fellow, Royal Society of London UK, 1994.

Fellow, American Geophysical Union, 1976.

Member, French Academy of Science, since 2005.

Member, Academia Europaea, since 1999.

Member, Norwegian Academy of Science and Letters, since 1994.

Member, Royal Netherlands Academy of Arts and Sciences, since 1993.

Awards/recognition include:

Centenary Medal, 2001.

Honorary Professor, Graduate University, Chinese Academy of Science, 2007.

Eminent Scientist Award, Japan Society for Promotion of Science Award, 2005.

Wegener Medal, European Union of Geosciences, 1997.

Jaeger Medal, Australian Academy of Science, 1995.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mrs Mari Ann LEWIS AM, 8 Bayview Hill Lane, Rose Bay NSW 2029

For service to the visual arts as an ambassador for Australian art, through administrative roles with arts organisations in Australia and overseas and through philanthropic contributions to galleries.

Director, Australian Strategic Policy Institute, 2003-2007.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Dr Robert Alexander McINTOSH, Theresa Park NSW 2570

For service to agricultural science in Australia and internationally, particularly through research in the areas of wheat genetics and rust disease and as an educator and mentor.

Dr McIntosh's research has led to the development of rust resistant wheat varieties providing control of diseases in wheat; estimated to have saved \$300 million annually for the wheat industry in Australia over the past 20 years.

Honorary Professor, Plant Breeding Institute, University of Sydney, since 2000; Personal Chair, Cereal Genetics and Cytogenetics, 1993-2000; Director and Associate Professor, Rust Research, 1980-1993; Senior Research Fellow, 1973-1980; Research Fellow, 1963-1973; Professional Officer, 1960-1963.

Established and led the Australian Cereal Rust Control Program (supported by the Grains Research and Development Corporation), 1973-2000.

Curator, *Catalogue of Wheat Gene Symbols*, since 1968; a resource that is used worldwide and possibly the most important reference for wheat geneticists.

Supervisor and mentor to many undergraduate and post graduate students.

Author/co-author of 134 peer-reviewed publications and co-author of one book, 1995.

Member, Grains Research Development Corporation Wheat and Barley Project Review Committees.

Member, State Wheat Improvement Committee.

Project Member, Australian Centre for International Agricultural Research (ACIAR) Wheat Rust Project with India and Pakistan.

Project Member, ACIAR Wheat Improvement Project, China; based at the University of Southern Queensland.

Current editorial appointments include:

Editorial Panel, *Plant Breeding*, (Germany).

Associate Editor, *Euphytica*, (The Netherlands).

Editorial Panel, *Cereal Research Communications*, (Hungary).

Editorial Panel, Wheat Information Service, (Japan).

Visiting Professorships and lectureships include:

Nanjing Agricultural University, China, 2007.

Northwest Agricultural University, China, 2007.

Chinese Academy of Agricultural Science, Beijing, China, 2006.

Faculty of Agriculture, Kyoto University, Japan, 2000-2001.

Department of Plant Pathology, Kansas State University USA, 1993.

Consultant on wheat rust resistance, South Africa, 1981.

Speaking invitations include:

Borlaug Global Rust Initiative Technical Workshop, Mexico, 2009.

International Maize and Wheat Improvement Centre, Mexico, 1987, 1991, 1998 and 2002.

9th International Wheat Genetics Symposium, Canada, 1998.

5th International Wheat Conference, Turkey, 1996.

Chinese Academy of Agricultural Science, Beijing, China, 1993.

Jubilee Symposium of the Indian Genetics Society, New Delhi, India, 1991.

International Conference on Biotechnology of Cereal Crops, Germany, 1986.

6th International Wheat Genetics Symposium, Kyoto, Japan, 1983.

International Botanical Congress, Sydney, 1981.

4th International Plant Pathology Congress, Munich, Germany, 1978.

Fellow, American Phytopathological Society, 2000.

Fellow, Australian Academy of Science, 1993.

Fellow, Australian Institute of Agricultural Science, 1988.

Awards/recognition include:

Centenary Medal, 2001.

Appointed Patron, 11th International Wheat Genetics Symposium, Brisbane, 2008.

Global Landscapes in Cereal Rust Control Forum, 2005; an international forum held in recognition of Dr McIntosh's contribution to research.

E C Stakman Award, University of Minnesota USA, 2002.

J C Walker Memorial Lecture, University of Wisconsin USA, 1994.

Medal of the Australian Institute of Agricultural Sciences, 1987.

Daniel MacAlpine Memorial Lecture, Australasian Plant Pathology Society, 1986.

Farrer Memorial Medal, NSW Department of Primary Industries, 1976.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr Rodney Ian MITCHELL, Vic

For service to the international community, particularly through the establishment of the Asia Pacific Business Coalition on HIV and AIDS in Papua New Guinea, and to financial sector management and reform.

Founder and Chief Executive Officer (voluntary), Asia Pacific Business Coalition on HIV and Aids (BAHA), PNG Branch, since 2006.

BAHA is the peak body for private sector response to HIV/AIDS and provides training and workplace policies for the private sector; through his role as the Chief Executive Officer of NASFUND (PNG's national superannuation fund), Mr Mitchell provides leadership in the private sector on campaigning against HIV/AIDS, domestic violence and tuberculosis, and lobbies for the empowerment of women in PNG; under his guidance BAHA now involves 78 of the largest organisations in PNG, employing approximately 30,000 private sector workers in the fight against HIV/AIDS; there are approximately 50,000-60,000 reported HIV/AIDS cases in PNG.

Mr Mitchell has also volunteered time and personal funds to charity.

Chief Executive Officer, NASFUND, since 2002; has been with NASFUND since the late 1990s.

Board Member, Telikom (PNG's telecommunications company).

Board Member, Highlands Pacific Ltd; mining.

Board Member, Datanets Ltd; information technology.

Board Member, Hornibrook NGI; construction.

Member, National Aids Council (PNG).

Fellow, Financial Services Institute of Australasia, since 1993.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor Christopher John O'BRIEN AM, Hunters Hill NSW 2110

For continued service to medicine and to the community through advocacy and fundraising roles for the development of integrated care and clinical research facilities for people with cancer, particularly the establishment of the Lifehouse Centre at Royal Prince Alfred Hospital.

Professor O'Brien was appointed a Member of the Order of Australia in the Australia Day 2005 Honours List for his service to medicine, particularly in the specialty of head and neck surgery through leadership as a clinical researcher and teacher.

The following summarises his service and involvement since then.

Current Board Member, Sydney Cancer Centre Foundation; Professor O'Brien has been instrumental in the planning and development of a \$300 million comprehensive cancer centre at the Royal Prince Alfred Hospital Campus to be named 'Lifehouse at RPA'; involved with the national 'Chris O'Brien Capital Appeal' launched by the Prime Minister in April 2009 with the goal of a raising \$50 million for the Centre.

Director, Sydney Cancer Centre, 2003-2006.

Head, Department of Head and Neck Surgery, Royal Prince Alfred Hospital, until 2006; Mentor for Registrars and Fellows in clinical research and training.

Has conducted research into the Human Papilloma Virus, Sydney Head and Neck Cancer Institute, since 2005; Founding Director, 2001-2006.

Professor, Discipline of Surgery, University of Sydney, 2004-2006.

Director, Cancer Services Sydney, South West Area Health Service, 2005-2006.

Author, *Never Say Die* memoir, 2008.

Author, over 100 peer reviewed scientific papers and 17 book chapters.

Visiting Professor and Guest Lecturer to institutions in many countries including the Semon Lecture in London UK, and the Jatin P Shah Lecture in Prague, Czech Republic, in 2006.

Current Member, Advisory Board, International Union Against Cancer.

Current Member, Executive Committee, International Federation of Head and Neck Oncology Societies.

Fellow, Australasian College of Surgeons, since 1983.

Current Member, American Head and Neck Society.

Other awards/recognition include:

Medal of Excellence, Royal Australasian College of Surgeons, for outstanding contribution to Australian Surgery, 2008.

Presidential Citation, International Federation of Head and Neck Oncology Societies.

The American Head and Neck Society established a US\$200,000 fund to have the keynote lecture 'The Chris O'Brien Lectureship' named in his honour, 2008.

Lecture and Travelling Fellowship named in his honour by the Australian and New Zealand Head and Neck Society.

Honorary Fellow, Royal College of Surgeons of England.

Honorary Member, Australian and New Zealand Head and Neck Society.

Honorary Member, Australian Society of Otolaryngology Head and Neck Surgery.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Professor John Hemsley PEARN AM RFD, 121 Banks Street, Newmarket Qld 4051
For service to medicine, particularly in the areas of paediatrics and medical ethics, to medical history, and to the community through injury prevention and first aid programs.

Professor Pearn was appointed a Member of the Order of Australia in The Queen's Birthday 1979 Honours List for his service to medicine, particularly in the field of child health.

The following summarises his service and involvement since then.

University of Queensland Alumnus of the Year, 2004.

Howard Williams Medal, Paediatrics and Child Health Division, Royal Australasian College of Physicians, 2002; the College's highest honour.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr Gregory John POCHE, Manly NSW 2095

For service to the community through philanthropic contributions to medical, aged care and sporting organisations, and to the freight transport industry through the introduction of innovative business practices.

Since the sale of his transport company, Star Track Express, in 2003, and to a lesser extent prior to that, Mr Poche has made a number of significant personal philanthropic contributions to a range of medical, aged care and sporting organisations including:

Centre for Indigenous Health, University of Sydney: \$10 million to develop the Centre, 2006; the Centre has since been named in his honour.

The Sydney Melanoma Unit, The Mater Hospital: \$40.5 million since 2004 toward the construction of purpose-built clinical and research facilities and the relocation of the Unit from the Royal Prince Alfred Hospital to the Mater Hospital in North Sydney. In addition, Mr Poche donates \$400,000 per annum to the Melanoma Institute Australia, of which the Sydney Melanoma Unit is a part; the donation funds 5 clinical and administrative staff; a temporary facility has been operating since 2006; the permanent facility is scheduled for completion in 2009.

The Mater Hospital: for an additional operating theatre, primarily to support the Sydney Melanoma Unit.

The LinkAGE Volunteer Program: \$250,000 to ensure the program's viability when it was threatened with closure, 2006; program provides volunteer visitors to residents in aged care facilities; Mr Poche also assisted the transfer of the program to the Mater Hospital to further strengthen its position.

Royal Prince Alfred Yacht Club: \$120,000 for sails and \$300,000 for training and racing keel boats to develop the junior sailing training program, 1990s.

Care Australia and UNICEF in relation to the Indonesian Tsunami Appeal.

The Cancer Council of Australia through their subsidiary 'ASH'.

Father Chris Riley's 'Youth Off the Street'.

Founder and Chairman, Star Track Express (formerly Discount Freight Express), 1974; sold the company to Australia Post and Qantas in 2003.

Mr Poche introduced business practices to increase efficiency and decrease freight transport costs, thereby challenging a cartel of freight companies that dominated the industry at the time. An inquiry in 1990 by the (then) Trade Practices Commission into the anti-competitive practices of this cartel supported Mr Poche's position and resulted in fundamental changes to the operation of the freight transport industry in Australia.

OFFICER (AO) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Mr Steven James ROBINSON,

C/- Department of Foreign Affairs and Trade, R G Casey Building,
John McEwan Crescent, Barton ACT 0221
